

## **Big Brown Dog**

I'm a big brown dog and I love to wag my tail.  
I'm a big brown dog and I love to wag my tail.  
I love to run and fetch and play.  
So come on partner what do you say?  
Cause I'm a big brown dog and I love to wag my tail.

I'm a big brown dog and I love to dig in the yard.  
I'm a big brown dog and I love to dig in the yard.  
If you catch me all I've got to say is:  
Digging, well, it's just my way.  
Cause I'm a big brown dog and I love to dig in the yard.

I'm a big brown dog and I love to bark all day.  
If you're a postman, you'd better stay away.  
Cause if I see you coming my way  
there's gonna be no mail today.  
Cause I'm a big brown dog and I love to bark all day.

I went to the pet store the other day.  
Yeah, I escaped, now what can I say?  
I saw some goodies and treats and things.  
And you can buy them there for small change.

I'm a big brown dog and I love to wag my tail.  
I'm a big brown dog and I love to wag my tail.  
I love to run and fetch and play.  
So come on partner what do you say?  
Cause I'm a big brown dog and I love to wag my tail.

And I love to wag my,  
I'm a big brown dog and I love to wag my tail.
