

Questions

Have you seen the mouse that lives in the house
that's over on the corner on the other street?

I haven't seen the mouse that lives in the house
that's over on the corner but I'll bet it's neat.

Have you seen the dog that lives in the log
that's over in the woods down by the stream?

I haven't seen the dog that lives in the log
that's over in the woods but I know it's mean.

Have you seen the horse that lives (of course)
in the barn on the other side of town?

I haven't seen the horse that lives (of course)
in the barn but I know he wears a frown.

Have you seen the frog that lives in the bog
down in the meadow where the stream runs through?

I haven't seen the frog that lives in the bog
down in the meadow but I think he's new.

Have you seen the house that's home to the mouse
that's over on the corner on the other street?

yes I've seen the house that's home to the mouse
that's over on the corner but I haven't seen the mouse.

Have you seen the log that's home to the dog
that's over in the woods down by the stream?

Yes I've seen the log that's home to the dog
that's over in the woods but I haven't seen the dog.

Have you seen the barn that's home to the horse
on the other side of town (of course, of course)?

Yes I've seen the barn that's home to the horse
on the other side of town but I haven't seen the horse.

Have you seen the bog that's home to the frog
down in the meadow where the stream runs through?

Yes I've seen the bog that's home to the frog
down in the meadow but I haven't seen the frog.

This song could just go on forever
I'll be happy when it ends.

Yes this song could go on forever
we'd better stop now and still be friends.
We'd better stop now and still be friends.
