

Hey Hey Whatcha Doin

I jumped off the bed today, it made my Mama stop and say:
Hey, hey, whatcha doin, don't you know, you could ruin,
your feet? [repeat]

Just because it's there, doesn't mean you gotta do it.
Ask before you do, and you know I'll help you through it.

I played in the mud today, it made my Mama stop and say:
Hey, hey, whatcha doin, don't you know, you could ruin,
your shoes? [repeat]

Just because it's there, doesn't mean you gotta do it.
Ask before you do, and you know I'll help you through it.

I ate potato chips today, it made my Mama stop and say:
Hey, hey, whatcha doin, don't you know, you could ruin,
your appetite? [repeat]

Just because it's there, doesn't mean you gotta do it.
Ask before you do, and you know I'll help you through it.

Before you do anything today, you'd better check with Mom
and say, hey, hey, can I do it?, hey, hey, help me through it,
today. [repeat]

Hey, hey, can I do it? Hey, hey, help me through it.
Hey, hey, can I do it? Hey, hey, help me through it,
today.
